Week of January 25, 2009:

Normal practice times this week, except for Friday. Friday's practice times will be moved up to 5 - 7 pm. Millikin's team is swimming from three to five, so we can come earlier, hopefully allowing us to have some more swimmers at practice.

(All practices are held at Millikin's pool.)

Upcoming Meet Info:

Groundhog Invite

I U Natatorium - Indianapolis, IN

If you are attending the meet, don't forget to reserve a hotel and reserve a spot for the team dinner. All of this info has also been e-mailed. Any questions, please ask!

I will place a copy of all of the swimmers' events on the bulletin board and in your mailboxes this week.

Notes from Coach Kat:

Practice has been going well. It has been so nice to have a beautiful blue pool again!! We have had a few new swimmers, who are interested in our team, come and try a practice. I want to thank our swimmers who did such a wonderful job of making them feel welcome. Two of them had so much fun at practice, they wanted to join right away!

I'd also like to thank the DSC swimmers that came to the Millikin Meets last weekend to help out. I really appreciated all of the help, and Macy may have found a new future job as an announcer!

The Indy meet is coming up soon! I know everyone is getting very excited, and our swimmers are working hard. Keep challenging yourselves and your teammates to do your best each and every practice!

"I wouldn't say anything is impossible. I think that everything is possible as long as you put your mind to it and put the work and time into it".

~ Michael Phelps

Swimmers of the Week

A special round of applause for our swimmers of the week...Malone Moretti and Ross Cornelissen...

Malone has never had a practice where she hasn't worked hard and done her best! She is always asking how she can get better and what she can work on. Malone is a very kind and generous girl that is always smiling and you'll never hear her complaining either! She is an excellent teammate

Ross is a great team leader and a wonderful example to the rest of the team. He always works hard and loves challenging himself, whether it be in drylands or in the water. He has been swimming well this season, and never gives up, continually going for best times. Along with having good work ethic, Ross is a person that people love to be around and can always count on.
